Hull Savoyards and the Kingston Brass Quintet are to present 'A Musical Christmas Carol – *Humbug!*' written by Fraser Charlton (well known in Newcastle for his short shows written for the University and Gosforth Musical Society). 'Humbug!' is an adaption of Charles Dickens' public readings of *'A Christmas Carol'* with the addition of various Gilbert & Sullivan songs and traditional Christmas Carols. The show contains minimal libretto guided along by a Narrator (Charles Dickens) reading sections of Dickens' text used in his celebrated public readings.
